3PB Barrister Profile

Tom Webb

Call 2010

Email: tom.webb@3pb.co.uk

Tom has been representing clients on a daily basis since the Spring of 2011 and continues to enjoy appearing in a variety of courts and tribunals.

Still in the relatively early stages of his career, Tom has deliberately chosen to retain a broad practice in order that he can gain maximum advocacy and advisory experience. Although hoping to increasingly specialize over the coming years, Tom will at the present time accept instructions in personal injury, commercial, employment and criminal matters.

Whilst at University, Tom won the ?Western Circuit Mooting Competition? and since that time he has continued to grow as an advocate. Confident both in court and in advisory work, he has experience at all stages of proceedings, ranging from preliminary drafting and hearings through to appeals.

Recent feedback from an instructing solicitor read:

?I have spoken to [the client] and she asked me to pass on to you her deepest thanks. She said it was worth it just to see *you cross-examine her old managers and that the compensation was the icing on the cake. She also thought that you must have put a lot of work in to the case and that you were much better than your opponent.?*
