

3PB Barrister Profile

Anarkali Musgrave

Call 2005

Email: anarkali.musgrave@3pb.co.uk

Anarkali has a broad practice encompassing family, employment, personal injury and criminal law. This means that she is a poised and confident advocate who can draw on an unusually wide knowledge of the law to advise and represent clients from all backgrounds and in most circumstances.

The breadth of her practice also means that she is well placed to appear at all stages in cases which straddle several practice areas eg. RTAs which appear in the criminal and civil courts, or domestic violence which is heard in both the family and criminal courts.

Anarkali accepts instructions for both court work and paperwork, but particularly enjoys witness handling in trials and cases involving experts: she is regularly praised by judges for her skillful advocacy, sound judgement and meticulous preparation.
