Business & Commercial Law

Mark Sullivan has broad experience in general commercial litigation involving contractual disputes, including partnership and construction disputes.

He represents local authorities, large and small companies and private individuals in a range of contractual matters and has conducted cases in the Technology & Construction Court. He accepts instructions under Conditional Fee Agreements in appropriate cases.

Current and past cases include:

- Premiership footballer in dispute with former agent;
- Well-known entertainer in dispute over termination of performance agreement;
- Former partner in financial services business following dissolution of business;
- Local authority in dispute with electricity distributor following electrical fire.

Professional Bodies

- Personal Injury Bar Association
- Western Circuit
