Clinical negligence

Peter Jennings has experience in several areas of clinical negligence including:

- General practitioners
- Surgeons (in various fields and both open and laparoscopic surgery)
- Obstetricians and gynaecologists
- Paediatricians
- Anaesthetics
- Dental surgery
- Cosmetic surgery
- Nurses and midwives

and has acted in claims at all levels of seriousness, including brain damage and cerebral palsy cases. He has also acted in professional negligence matters involving other professions.

Peter has experience of personal injury cases other than clinical negligence. He is an editor and author of *Facts and Figures: Professional Negligence Bar Association Tables for the Calculation of Damages* and has also written on civil procedure.

Peter has acted in disciplinary matters before professional regulatory bodies, in internal proceedings before the relevant health service authorities and before employment tribunals. He is a Legal Assessor to the General Medical Council.
